Our Inventory

This Website lists inventory available for purchase at our retail locations at the time of listing. Our inventory is constantly changing. The availability and pricing of any item is subject to change without notice. Also, availability and pricing errors may occur.

With certain exceptions, our inventory is comprised of pre-owned goods that were obtained by us by purchase from consumers or as collateral for defaulted pawn loans. The items generally display evidence of prior use. We provide one or more photos and general description of the items listed. We encourage you to fully inspect any item at our retail locations prior to purchase. While we endeavor to accurately describe all items listed, we make no representations as to the completeness, accuracy, reliability, validity, or timeliness of such listings, descriptions or images (including any features, specifications, and prices). Photos are of the actual items offered for sale at our retail locations; however, we cannot guarantee that your monitor’s display of any color or image will accurately reflect the actual item. The description of the item is subjective and all attributes, including weights, size, measure, color, and condition are approximate and are for convenience only. References to product names, marks or brands is for informational purposes only and do not constitute an endorsement.
